

Color Theory

- GOALS:** To provide a solid foundation of color theory for any artist who wants better control of color. To expand upon the student's knowledge of color theory through the use of comprehensive exercises, experiments, film presentation and discussion.
- OBJECTIVES:** Through this informative course students will explore the fundamentals of color theory. There will be an in depth look at the nature of color, color harmony, color tension, color in context, and much more.
- REQUIREMENTS:** Previous painting experience is not necessary.
- MATERIALS:** All materials are supplied for this class
- COST:** \$195
- REGISTRATION:** MUST BE ONE WEEK IN ADVANCE to plan for your space.
